United Nations ST/IC/2017/24

Secretariat

1 July 2017

Information circular*

To: Members of the staff

From: The Assistant Secretary-General for Human Resources Management

Subject: **Designation of duty stations for purposes of rest and recuperation**

1. In accordance with administrative instruction ST/AI/2011/7 and Amend.1 and 2, on rest and recuperation, and following inter-agency consultations, the Office of Human Resources Management approves the Secretariat duty stations that qualify for rest and recuperation, the frequencies thereof and the designation of rest and recuperation destinations. The annex to the present circular contains the list of duty stations approved for rest and recuperation purposes effective 1 July 2017.

2. In duty stations where the rest and recuperation frequency has been reduced, the new cycle takes effect immediately. In duty stations where the frequency of rest and recuperation has been prolonged (from 4 to 6 weeks, from 6 to 8 weeks or from 8 to 12 weeks) or where it has been discontinued, staff members or eligible individuals who have already started accruing qualifying service prior to 1 July 2017 may avail themselves of rest and recuperation after completing the period of qualifying service previously in effect. Upon the return of the staff member or other eligible individuals to the duty station, the new frequency shall apply.

3. Should security or severe hardship conditions improve or deteriorate at specific duty stations during the course of the year, the duration of the period of qualifying service (frequency) may be adjusted by the Office of Human Resources Management following inter-agency consultations. Similarly, significant changes in a duty station environment may result in the approval or discontinuation of rest and recuperation.

* Expiration date of the present information circular: 1 January 2018.
